What are the biggest cons to Online Learning?

Jarris

Cluster
How can Online Learning be toned down?

Jarris

Cluster
How can Online Learning be changed for the better

Jarris

Because of the increase in technology usage

Jarris

Doesnt have to be in an in-person classroom

Jarris

Suffer from distractions

Jarris

Make it less mandatory

Jarris

Make learning more engaged

Jarris

The Covid 2020 influence

Jarris

Safe option in case of sickness spreading around

Jarris

Students are more likely to cheat

Jarris

Give people more in real life options

Jarris

Require certain environments for students to be in

Jarris

Its being given as an option for kids to primarily use

Jarris

Helps Teachers stay connected with students from afar.

Jarris

Harder to keep students engaged

Jarris

Create more private meeting sessions for students.

Jarris

You can teach more people at once

Jarris

You can reach out to more people at once instead of whos in your classroom

Jarris

lack of a learning environment

Jarris

Schools are enforcing some form of it

Jarris

Great backup option if you cant learn in person

Jarris

Can't really interact with students like usual

Jarris
